Warren Locality Committee

Our Locality Committees are seeking people just like you ... find out what is involved

Locality Committees are crucial to the running of our schools

Skills

The Locality Committee needs additional representatives from the local community who are enthusiastic, willing to learn and curious about the school to provide support and constructive challenge. No educational experience is required to apply for the role.

Legal Overview

As a Trust we hugely appreciate the time our volunteers give to supporting our Academies and work hard to ensure our Locality Committee members feel valued and supported.

The Trust Board of Consortium Trust is accountable, in law, for all major decisions concerning their academies. The Trust has three tiers of governance consisting of Members, a Board of Trustees and Locality Committees.

Local Committee Overview

The Locality Committee is made up of elected parents and Trust Board appointed members. The current constitution is 6 members:

- 2 elected Parents
- 4 Community Members appointed by the Board of Trustees

Locality Committee duties:

- The Locality Committees meet three times a year, once every term.
- Members are asked to undertake termly training and attend connection meetings.
- Meetings are held in person at the school.
- The Locality Committee works within the delegated responsibilities as set out in the Scheme of Delegation.

Connection Meetings:

Connection Meetings are encouraged as this is your chance to visit the school and meet with staff and pupils. Topics for connection meetings are discussed and agreed within the Local Committee meetings.

Community Engagement Committee Meetings:

Once per term, Locality Committee members are invited to attend the Community Engagement Meeting, which is Chaired by a Trustee and attended by a member of the Executive team.

This is a termly opportunity for Locality Committee members to meet directly with Senior Leaders and Trustees, and all Locality Committee members are encouraged to attend. These meetings are carried out online.
