Thursday			English & Communication	Phonics			Maths					Collective Worship & RHSE	Creative arts & Technology	Story & Home prep	
Friday			English & Communication	Phonics			Maths					Celebration Assembly	Signing choir lower school	Signing choir Upper School	Story & Home prep

Timetables will be generated before the end of term to show PPA, PE, Life and Living Skills, Library, Outdoor Classroom and Sensory room.

Please consider carefully, how all areas of the Curriculum are taught and show clearly in timetabling and planning.

Please use colour coding in timetables and planning to show your use of a broad and balanced curriculum and to help subject leads clearly identify how and when their subject is taught.

Please ensure that all times of day represent opportunities for T&L – morning routines, playtimes, story times, assemblies and share morning/afternoons all have opportunities for learning. These should be clearly identified in planning.
