

Date: Friday 7th July 2023

Dear Parents/ Carers,

Wow! I can't believe it's nearly the end of term, I would like to thank parents for your support and understanding during the transfer to Consortium trust.

Warren school is going through significant changes including whole school refurbishments and we really do appreciate your support.

We are currently experiencing high number of cases of chicken pox and bouts of sickness and diarrhoea in the school, this can be an upsetting time for our pupils, and we fully appreciate you remaining vigilant for symptoms and your cooperation regarding this matter.

As it is nearly the end of term, we are organising the end of term assembly for our pupils who are leaving this summer. This will be on the 19th of July at 10am in the Gym. This is a celebration assembly celebrating pupil achievements and saying goodbye to our leavers, parents of pupils who are transitioning from Warren School to College will receive an invitation to this event in the near future.

Have a lovely weekend!

Gemma Arlow

Wellbeing Officer and Designated Safeguarding Lead

Gemma Anderson

Primary 1 Class Teacher

Hello, my name is Gemma Anderson and I have worked in mainstream primary schools across the country since 1994. I am originally from London and my initial degree was in English. I then worked as a computer journalist before becoming a primary teacher. I trained for my PGCE in Edinburgh and then moved to East Anglia, where I raised two girls.

I have always had an interest in SEND and love nurturing children and watching them grow. I believe in lifelong learning and see children as individuals who learn in a variety of ways. I enjoy anything creative such as art, cooking, walking, music, gardening and reading. My latest hobby is making jewellery.

I look forward to being part of the Primary 1 Team, getting to know the children and communicating with carers. I think it's important to know the whole child in order to get the best learning outcomes for them.

Simon Spillings Class Teacher

My name is Simon. My favourite school subject is Maths. I enjoy reading lots of different books. My favourite books are the Percy Jackson series. My favourite superhero is Captain America. Outside of school I enjoy going for walks, going out to different places and exploring new locations and spending time by the beach.

I am looking forward to joining Warren School Team.

Bumblebees Class
Bumblebees have been enjoying our cooking sessions. The pupils have been taking care to carefully measure and mix the ingredients needed for our recipes.
Great work bumblebees!

Warren Working Together

This half term has been about being together.

In Secondary and Post 16, we have been enjoying walking a daily mile each morning. During healthy eating week, we enjoyed making and sharing delicious food - including fruit kebabs and smoothies.

For Refugee Week, we worked together to create a banner, showing how Warren School welcomes everyone.

In celebration of kindness, the theme of this year's RSE day, students from Butterflies enjoyed reading to others. We eat together, play together and celebrate together every week.

It is the times we are together that we are our best.

Lemurs Adventure

Last week Lemurs went on an educational visit to Adventure Island. We had lots of fun climbing, going down the slides and in the ball pits. We had our lunch there and, in the afternoon, we had an ice-cream.

Fire Marshall Training

Recently Guardian FSM visited and delivered a fire marshal training course to 10 members of staff. We learnt about the most up to date fire procedures and usage of fire extinguishers. The trainer lit a gas fire and we were guided to use 2 different types of extinguisher - water and CO2 to put the fire out. As you can see from the photos below it was a lot of fun and a good experience learning new safety skills.

RSHE Parental Consultation

Unfortunately, due to unforeseeable circumstance we have need to postpone the planned RSHE Parental Consultation evening. More details will follow when this is rescheduled in the Autumn Term.

Volunteer

In the next academy year we will be looking for volunteer to join our volunteer programme. These roles will vary from Breakfast club leader to librarian to minibus driver to rebound spotters and a host of other things.

There will be more details to follow in September of how to apply for the volunteer roles.

Dates for your diary

<u>Date</u>	<u>Event</u>	<u>Who</u>
Wednesday 19 th July	Leavers Assembly 10am	Invited
Friday 21 st July	Last Day	Pupils
Friday 1 st September	PD	All Staff
Monday 4 th September	PD	All Staff
Tuesday 5 th September	1 st Day back to school	Pupils
