

Friday 18th October 2024

Dear Parent/Carers,

I wanted to share a quick update on the renovations taking place in the pool area. The flooring is now complete (see pictures below) and the tiling repairs are now underway. The next stage, happening over the half term break is connecting the boiler and equipment to heat the pool. We will be organising a 'Opening Gala' - date to follow. This is an exciting time for Warren School and a great resource for our young people. I look forward to sharing a further update in a few weeks.

Thanks,
Kelly

CLASS 7

Class 7 have settled well since the start of the new term. We have been building relationships with our peers and staff. In literacy this term we have been reading 'Boo!' by Kate Read, we have created a variety of sea creatures from our story, wrote speech bubbles, built sentences using colourful semantics and used communication boards and buttons to share what we can see and ask questions. We have used our artwork to make an amazing 'Boo' display which we are able to add more colourful artwork to each week! In maths we have been exploring place value. We have made healthy snacks in life and living skills.

CLASS 8

This week class 8 have been learning about the digestive system in science and enjoyed our practical experiment, making "POO!" ... With Mashed bananas and biscuits to show the food being chewed, orange juice to show the acid in your tummy and a stocking to represent the large intestine. They were able to see the food become mashed down, and work its way through the intestine to then be pooped out! We have also talked a lot about being kind and started to make a display to remind us how to keep being kind and look after each other in school.

CLASS 9

Class 9 have had lots of fun so far this half term. We have enjoyed learning about local birds in English and using our communication aids to answer questions. We have been working hard in math's and have enjoyed different sensory experiences including Sensology to learn about our senses. In life and living skills we have been learning about healthy foods and tried different fruit and vegetables. We made a breakfast smoothie and took turns using the hand blender, it was very yummy!

We have a few confirmed cases of hand, foot and mouth in school, please be advised there is no recommended period to be absent from school. Please follow government guidelines below for absence guidelines.

Please ensure that if your child is absent from school, you inform the school office on the morning of the absence. Please see attached link to Warren school attendance policy
