

Friday 24<sup>th</sup> May 2024

Dear Parent/Carers,

We have had another busy 2 weeks at school with lots of learning and enjoying the sunshine as much as we can.

A massive thank you goes to Emma for organising a very successful book fair that was on site last Friday and Monday which parents had the opportunity to come and explore the books with their children.

We would also like to thank Suffolk Cricket and James for providing 6 amazing weeks of cricket coaching that has inspired lots of our young people to try something new!

We hope you have a safe and enjoyable half term break, and we look forward to seeing all our young people back on the 3rd June!

## Meet the Team

### Karen Woods: - Higher Level Teaching Assistant

Hello, my name is Karen Woods. I joined Warren School in 2014 as a teaching assistant in the primary phase and went on to gain experience in other areas of the school. I later and very proudly was appointed as HLTA and currently work in the PMLD phase.

My journey at Warren has allowed me to work alongside many professional people, accessing a variety of training, and being a mental health first aider.

I have many hobbies, including gardening, running, cooking and following Norwich City FC. I do feel that my hobbies help to keep me motivated, positive and focused on my job and in life.

## Meet the Team

### Louise Silom: - Higher Level Teaching Assistant

Hello, my name is Louise. I have been at Warren school since September 2013. I began working as a Midday Supervisor before becoming a Teaching Assistant. During this time, I have worked with all age groups from Early years to Post 16.

My role now is working as a HLTA in the Primary phase, which enables me to work with different classes and learning environments with help from staff to support our learners to reach their full potential. I enjoy watching the learners grow and celebrating their achievements.

My passion for working at Warren school has come from having a son with SEN. In trying to best support him I have completed training in Understanding Autism, reading books on Autism, and listening to talks from Autistic adults to widen my knowledge. This has allowed me to use these skills daily in my job role.

## Book day

Before the book fair arrived, we held a competition to win money vouchers.

Well done to the winners who won a £5 voucher and spent it at the book fair. Danny from Class 1, Liam from Post 16, Isaac from Secondary, Zeke from Primary 1 and Amelia from Primary 1 & EYFS. Here are their winning designs.

Thank you to everyone who was able to take part in our book fair, we raised £168.75 to buy new books for school for the children to enjoy.

## Class 11

This term, Class 11 have been learning about growing and changing. We have planted sunflower seeds and waited so patiently while the seeds grew to a little plant, we then dug holes on sunflower day and planted our flowers. We can't wait to watch them grow big and tall. We have enjoyed the sunshine and made the most of this by having some lessons outside with water trays and spray bottles. It was so much fun even the staff got wet! We are excited to be going into the last half term it's been such a great year so far!

## Class 12

This half term, Class 12 have been learning life skills in the community. We have visited Carlton Marshes, walked to support our healthy lifestyles and learning how to use our own money to buy food or drink in the café. We have to work out what we can afford to buy with the money we have and then we socialise with our friends while we enjoy our treat.

This week we welcomed parents to the book fair; Class 12 practiced their social skills to talk to parents and sell books and stationery. We used an iPad and a card reader to take payments and enjoyed the experience.

## Class 9

Linked to our topic 'express yourself', Class 9 visited the Sainsbury Centre on Wednesday. The children were looking at how artists have expressed themselves through their work. The children shared their thoughts on the artwork displayed which included Ria's wonderful comment on the John Hoyland painting Song "it's like the rainbow inside me, in front of the darkness".

All of the children had a fantastic day out!

## Sun Cream

As the weather is getting warm and the need for sun cream returns, it has come to our attention that Nivea Sun Cream contains 'Prunus Amygdalus Dulcis Oil', otherwise known as almond oil. We are a nut free school which means we are unable to have this sun cream in our school.

Please ensure when sending sun cream in with your child it is nut free.
