Dear Parents/ Carers

My name is Gemma Arlow and I am the Wellbeing Officer at Warren School. As Wellbeing Officer, I am a member of the Leadership Team. The core purpose of being the Wellbeing Officer at the school is to be the strategic lead for community and family engagement, student personal and emotional development and welfare, including being the Designated Safeguarding Lead (DSL).

As a DSL I take responsibility for safeguarding and child protection across the school, implementing strategic discussions and inter-agency meetings. I also contribute to the assessment of children, take a role in developing and reviewing safeguarding and child protection policies and procedures.

I ensure staff are supported to make decisions pertinent to the safety and welfare of the children. I hope you all enjoy this weeks newsletter.

## Giraffes Class

This week in Giraffes we have been learning about the fire service.

We have enjoyed reading 'Charlie the Firefighter' and learning about all the ways the fire services can help us. First of all we looked around school and identified all of the fire exits and practiced what we would do when the fire alarm goes off at school. Everyone in Giraffes demonstrated good listening and following instructions when we walked to our fire evacuation point.

We have also role played and dressed up in the fire service uniform and used our hands and paint brushes to create fire pictures in art.

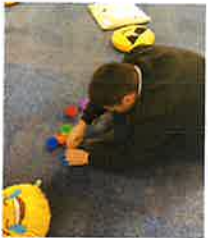

Giraffes are really looking forward to Monday 5<sup>th</sup> December when the fire service will be visiting us at school so we can see the fire engine and ask lots of questions.

## Butterflies Class

Flamingos and Butterflies classes have been busy assembling and decorating Christmas trees for around our school. It is beginning to look a lot like Christmas.

Butterflies class love their daily finger fidget activities. As you can see, this often turns into a little bit of Maths.

## Barn Owls Class

Barn Owl Class have been enjoying parachute activities. They have been moving to the music, tracking the lights and working together as a group.

On Friday some of the Barn Owls children visited Waveney Gym.
