

Friday 6th December 2024

Dear Parent/Carers,

I would like to start by saying a massive thank you to all the families that attended the Christmas fair on Saturday! It was lovely to see so many faces from across the school getting into the Christmas spirit.

This would not have been possible without the Warren Association who organised the event. Everyone at Warren school and the wider community appreciate the time and effort that went into organising the event, so thank you.

A couple of dates for your diaries, Thursday 12th December where we look forward to seeing all of our young people and staff in their festive jumpers.

Another date for your diary Wednesday 18th December we will be holding a Christmas celebration, more details to follow closer to the date!

Also, the Warren Association would like to invite anyone that can make it to coffee morning on Monday 9th December from 9.15-10.15am.

Hope you have a lovely weekend!

Post 16. OCR Life and Living Skills

Pupils in Class 16 have continued to work hard and make good progress in their OCR Life and Living Skills curriculum.

They have been developing skills in reading and writing and have been producing work towards their OCR units. In mathematics, pupils have focused well on accurate counting and developing skills in addition and subtraction. They have also looked at numbers out in the community and have been using the school telephones to develop communication skills for the future.

Pupils have been carrying out life skills in gardening, cooking, recycling and out in the community. We have walked to Tesco and have bought items to prepare food, bought a drink on visits to Carlton Marshes and have been learning about different jobs people do there; they have been using a variety of gardening tools to carry out gardening and learning about recycling and what it involves.

We look forward to spending more time out in the community in the new year.

CLASS 1

Class 1 have been busy developing our skills in Music therapy. We have been joining in with Daisy's music, singing and playing our instruments, exploring the sounds they make and vocalising to the music.

CLASS 2

Class 2 have enjoyed our topic of Australia over this term. We have had visits to The Great Barrier Reef in Drama, cooked lots of different Australian recipes, and we have really enjoyed lots of Australian pop music as part of our sessions.

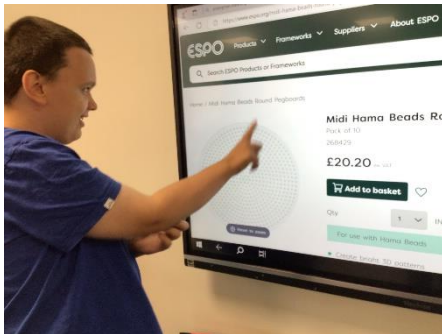

We have had many visits to Carlton Marshes and Waveney Gym, working on our OCR unit of visiting a community facility over a period of time. We have worked on our communication skills at Carlton Marshes cafe, and our physical skills at the gym.

We have also enjoyed exploring the sensory room in school and our music therapy sessions with Daisy.

Enterprise in Post 16

Class 16 have worked hard on an Enterprise project throughout the Autumn term. We developed an idea to make money and researched what we could buy, make and how much things would cost. As a class we also developed an understanding of profit. We used Hama beads to make a number of items including keyrings and magnets and sold them at the Christmas Craft Fayre. We sold most of the items and made £120 profit. We are all very proud and are looking forward to going out on a school trip in the near future. We hope you enjoy the pictures of everything we have done.

A Polite Reminder

Please remember to cut grapes if your child is having them for lunch or snack.

We are also a nut free and pineapple free school.

Dates for your diary

<u>Date</u>	<u>Event</u>	<u>Who</u>
Monday 9 th December	Warren Association Coffee Morning 9.15-10.30am.	Whole School and Parents
